

Bigger Together – Navigate the World of Social Business

Wednesday 25 March 2015 @ 1pm

We are lucky enough to have the support of Big Issue Invest to complete this 3 day event. The Bigger Together Social Finance Event is aimed at bringing social businesses of all stages together. We know firsthand that while finance is a vital element to business development, there are many other things needed to attain success.

Big Issue Invest will host presentations on the various types of finance that they have available - don't worry it will not be a run-of-the-mill finance workshop full of spreadsheets! There will be entrepreneurs on hand to talk through their experience of handling investment. Post presentations there will be an 'open clinic' style set up where attendees will split into smaller groups. You will literally have the opportunity to bring; thoughts, questions, ideas and even fears to the table and talk them through with an array of experts from: health, education, housing associations, enterprise bodies and the legal field.

The [CSV Programme](#) is an innovative partnership between Big Issue Invest and Barclays, with investment and support from five partners: Experian, First Ark, Fusion 21, Places for People and The University of Northampton. CSV is also supported by the Cabinet Office, as part of the £10m Social Incubator Fund. The next intake of applications to the programme is in April 2015.

Bigger Together will take place at:

Sunley Conference Centre
The University of Northampton
Park Campus
Boughton Green Road
Northampton
NN2 7AL
